## Mini Flake:

Mallard Creek's Mini Flake Shavings exist as the most economical, earth friendly bedding available for horses. Not only will you use less, waste less, and save money in comparison to other types of bedding, Mini-Flake is screened to be virtually dust free creating soft comfortable bedding that is good for your horses and the environment.

## Micro Mini Flake:

Our smallest screened flake available is Micro Mini Flake. It is rapidly gaining popularity and becoming one of Mallard Creek's best sellers. Micro Mini Flake bedding provides superior absorption and comfort for horses.
